WOODFORD RESERVE®

BOURBON HAS ARRIVED.

Kentucky Crafted: The Market is the nation's first, and remains one of the very few, state-sponsored premier events where many of our most talented artisans are showcased. The Market is produced by Kentucky Craft Marketing Program, a division of the Kentucky Arts Council in the

Commerce Cabinet, and is a collaborative effort among several state agencies and cabinets, which promote our rich cultural heritage while supporting the state's economy.

Our state's craft industry is serious business and contributes \$252 million in overall annual sales as part of the \$14 billion national craft industry.

Kentucky is known internationally for our high-quality crafts, visual art, food, books, and music that reflect the Commonwealth's unique flavor, culture and traditions. We recognize the value of talented artists and craftspeople in our communities and offer supportive state programs to keep them here. It is no wonder Kentucky's programs are modeled by so many other states and countries.

Based on reader nominations from a national online survey, Kentucky Crafted: The Market was selected as one of the Top 25 Art Fairs and Festivals in the country by *AmericanStyle Magazine* and for nine consecutive years has been recognized as one of the Southeast Tourism Society's Top Twenty Events.

Come join me in supporting all the wonderful artisans and businesses promoting their artwork and products at this award-winning event and see why "We got it Made in Kentucky!"

Sincerely,

Ernie Fletcher

In this first ever collaboration with the University of Kentucky School of Interior Design and the Market's silver sponsor, Osram Sylvania, products of Market exhibitors are featured in room settings to illustrate how Kentucky's impressive cache of art, craft and other products can be used in everyday settings that reflect today's decorating trends. The Designer Showcase is located inside South Wing A, near the main entrance.
